Create accessible PDFs to learn more about tagged PDFs. If you don't change the name, your document will be converted to a PDF and you won't be able to change it back without using specialized software or a third-party add-in. In the File Format box, click PDF Email a PDF copy of your document from WordYou can send a PDF copy of your document directly from Word.. On the File menu, click Share > Send PDF Word will create a PDF file and attach it to a new email message.. Give the PDF a different name than the original document That way, you'll have two files: a Word document you can continue to edit and a PDF file you can share.
